## TERMS OF SALE

**All bids by mail.** We have over two thousand customers who are interested in these sales. They live in every state of the union, and in some foreign countries. They can not all come to Freeport in person each month to attend an auction. In fact, not one per cent of them could do so. In fairness to those who live at a distance, and cannot attend a sale in person, we request all bids to be sent in advance of the sale, by mail.

**Coins will be bought below your bids** where other offers permit, as this is competitive bidding, executed in good faith.

**No unlimited bids** will be accepted from anyone, at this sale. Mark your highest limit or bid on the bid sheet, and we will buy as much under this price, as other actual bids permit. **Get your bids in before the date of sale.** Don't wait until the last minute. Help us with our work and we will help you get something.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge is made on anything not actually purchased. Postage and express is paid by the purchaser.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft or money order itself is a receipt. However, if a 3-cent stamp is enclosed we will send receipt.

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for your mistakes. Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

**Bids must reach me by the morning of the sale.** Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

Between the seller and buyer, my position is describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative by the collecting public.

**It is easy to bid by mail.** If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a reference or deposit is not necessary and purchases will be sent out

promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

**Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.**

All coins and other items are guaranteed genuine, unless otherwise stated.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

**NOTE**—A printed list of all the prices realized at this sale will be sent for fifty cents (50c). Send coin or stamps with your bids so as to reserve a price list, or if you prefer, we will add the cost to your bill of items purchased for you at this sale. Keep posted on coin values as they are today, and order a price list in advance of the sale. After the sale they cost \$1. Before, they are 50 cents.

Collections are safe in our hands, and you are insured against loss of any kind. Bank references furnished as to our financial reliability. We also have over 1,000 signed references and testimonials from satisfied clients, which are open for inspection by collectors.

DON'T FORGET that we also purchase collections or single coins for cash, and we pay as much as any other dealer, and more than most of them. ALSO REMEMBER, that we advance liberal cash amounts on collections placed in our hands for auction. The amount thus advanced, past experience has proven, has been in some cases, a larger sum than was offered for the same collection by others as a cash purchase.

AND LAST, BUT NOT LEAST, better order a price list of this sale, and see for yourself the good prices realized. The cost is only 50 cents, and this can be added to your auction bill after the sale. Please give us your order for a price list, however, before the sale, when you send in your bid sheet.

As our busy autumn and winter season begins, in a world of turbulent and unsound things, we propose to continue our business

on a sound and fair basis, with no certain collectors who get all the favors, but in a fair and impartial manner to every person who enjoys coin collecting and whom it has been our pleasure to serve. Our business continues to be excellent, notwithstanding the fact that there are ten times as many coin dealers in the business, as there were when we started to give our full time to numismatics many, many years ago. For this success I want to thank every person on my mailing list, every reader of this catalogue, and the hundreds of personal collector friends whom I have met at the conventions during the past years. The cooperation of collectors and the other dealers has been magnificent. Again I thank you!
